

BUNDLES from Speed & Smarts

Bundles are collections of *Speed & Smarts* digital back issues that focus on different themes. Each bundle includes 5 or 6 of our best issues on a particular subject (with a total of about 90 pages of race-winning tips). The list below shows which specific back issues are included in each of our 12 Bundles. Each bundle costs **\$25**, and is sent to you by email. Speed & Smarts subscribers get 20% off.

• Bundles also make great gifts! The content is protected by copyright, of course, but each bundle buyer is allowed to gift that bundle to one other person.
